

Employ with competence!

Growth with successful recruitments!
Helpful entrepreneurs and experienced recruiters will help you.

Is your business growing? Are you looking for the best experts or are you considering hiring a trainee? Are you wondering what recruiting costs, what channels you should use or what you need to do as an employer? Would you like to know what support systems there are to hire an employee?

Congratulations! You are one of the entrepreneurs who are creating growth and jobs in Finland. It's appreciative. We will help you to succeed in recruitment and to secure the growth of your business.

Employing is always a big step for the entrepreneur. That's why it's good to think about it from many angles to have the best possible conditions for success. We believe that the best entrepreneur's recruitment challenges are known and recognized by another entrepreneur. That's why we are a great partner for you.

COOPERATION WITH US IS PROFESSIONAL AND EFFICIENT.

THE PROCESS:

- 1. Choose Pro Growth as your partner.**
- 2. We will call you and reserve the appointment time.**
- 3. We will personally meet either in our office in Helsinki, at your own premises or use a conference call.**
- 4. In and between meetings we will focus on finding the best way to employ you, and we will produce a concrete plan for you to follow.**
- 5. We are backing you if you need help in the future. Materials, guides, and links are available for one year from the start of the service.**

YOUR SUCCESS IS OUR GOAL!

Why choose Pro Growth Consulting?

- We are entrepreneurs and have successfully and profitably expanded our businesses for a total of 40 years.
- We have succeeded in recruiting ourselves and also learned from our own failures.
- We are constantly working with different companies and we know the entrepreneur's world thoroughly.
- We help our clients in planning and implementing recruitment as part of their growth strategy.
- We really want to help and reach excellent results.

Feedbacks from our clients:

"The consultant's visit was very helpful, and I got good tips for developing our company. Things that I couldn't even think of were raised to discussion. We will develop our operations immediately according to the plan."

"The meeting had an encouraging atmosphere, I got new enthusiasm. Now I have many concrete suggestions to take on use!"

"The appointment was pleasant and supportive, new thoughts of thinking came out during our conversation."

"A really good, creative and useful meeting. Positive and expert on the field- as well as pleasant - consultant. I got nice feedback and confirmation for my own thoughts. I can recommend the company warmly! "

Employ with competence is a free service for entrepreneurial customers nationwide and offered by the Uusimaa TE Office and the ELY Center.

The service provides information and counselling on recruitment and other ways of obtaining workforce, as well as on acting as an employer. The goal is that hiring employee or signing outsourced labor should start as well as possible and support the growth of the company.

The service is provided by contract partners of the TE Office, which you can choose from.
